Platt Vineyard - Pinot Noir
Sonoma Coast

Tasting Notes

This is a seductive Pinot Noir showing depth, finesse, and freshness. The brilliant opaque color foreshadows its high level of concentration while aromas of Bing and sour cherries, lavender, violets and rose hip are grounded with Asian spices and underbrush. The alluringly seamless palate exhibits tension and silkiness as bright flavors of kirsch, pomegranate, mulberry, and plum gain complexity with the addition of tamarind and freshly tilled soil. An exquisite expression of Pinot Noir from an exceptional coastal site.
